Financial Information

The total income and expenditure of the on-street and off-street parking account for 2018 / 19 was as follows:

Expenditure £917,305

Income

Income source	£
Penalty Charge Notices	287,127
Off Street Pay & Display	565,790
On Street Pay and Display	341,063
Permits	230,421
Enforcement Agents (formerly known as bailiffs)	26,143
Total Income	1,450,543
Net Surplus	533,238

Note: the surplus is derived from car parking charges, not from PCNs; the cost of employing the team of Civil Enforcement Officers is merely off-set by the income from PCNs. In cases where PCNs remain unpaid beyond the statutory period the Council has a policy of registering the debts at the Traffic Enforcement Centre (TEC) at Northampton County Court; this is the Court which deals with all parking debt in England (outside London). Once a debt is registered the debtor is given a further 21 days to settle the debts before Enforcement Agents (formerly known as bailiffs) are appointed.
