Planning Permission: 8257 23.1.1958**

I am writing further to my letter to you of 7<sup>th</sup> June 2018.

As you know, the Council is of the opinion that your company is unable to comply with planning conditions in respect of the above. To this end I would be grateful if you can advise the Council of what your intention is in respect of ensuring that you can comply with planning requirements.

I would also advise you that a section of the fencing that you have erected appears to have been erected across a badger foraging route and has potentially disturbed a

badger sett. This matter has been referred to South Yorkshire Police as the Council believes that a criminal offence has been committed.

I would be grateful for your early response within seven days of the date of this letter.

I hope this information is useful and please do not hesitate to make contact if you have require any further information.

Yours sincerely
