Dear Sir/Madam,

**Visit to Grange Landfill Limited, Droppingwell Road, Rotherham (Watson's Tip), 26<sup>th</sup> July 2018**

Firstly, I would thank you for your kind invitation to visit the above site jointly with the Environment Agency. The discussions with officers and elected members from the Council was very much welcomed and appreciated.

During the visit a few matters were noted that you would be advised to address.

Firstly, the gate that has been erected to the entrance of the site is higher than 2 metres. Consequently, you need to apply for retrospective planning permission and officers will be contacting you to seek your application.

Secondly, it was noted that CCTV cameras installed on site are likely to capture images beyond the boundary of your property. The CCTV cameras need to be adjusted to ensure that they only capture images of your land and do not intrude on any other property. In this respect I would guide you to the Information Commissioner's Office's *Surveillance Camera Code of Practice*, and remind you of your obligations in relation to the General Data Protection Regulations 2018.

Community Protection Unit**  
Riverside House, Main Street, Rotherham, S60 1AE

Thirdly, it was noted that the fencing to the site was below the 1.8 metres specified by the Environment Agency. This matter has been brought to the attention of the Agency for action.

I look forward to your early response to this letter.

Yours sincerely

**Damien Wilson**
