Dear [REDACTED]

**Re: 'Watson's Tip' – Droppingwell Road, Rotherham
Unauthorised Access on Council Land**

I write following the discovery of vehicle tracks on our land at Droppingwell which indicate that 4x4 vehicles have been traversing our land to the east of your site at 'Watson's Tip' in order to access the tip site. Furthermore, a loader belonging to MHH was seen parked on Council land between the tip site and the football club perimeter on the 8th October 2019, leaving wheel rutting and causing damage to the area.

I would remind you that you, your employees or your sub-contractors have no right of vehicular access across land owned by the Council other than the direct route between Droppingwell Road and the entrance to the tip site. Any unauthorised use of vehicles on land belonging to the Council amounts to a trespass.

I would request that you ensure that your employees and sub-contractors are made aware of permitted routes and that they cease any further vehicular trespass onto land owned by Rotherham Borough Council.

Thank you for your co-operation in this matter.

Yours sincerely

[REDACTED]

Polly Hamilton
Assistant Director for Culture, Sport and Tourism
