Financial Information

The total income and expenditure of the on-street and off-street parking account for 2016 / 17 was as follows:

Expenditure	782,378
Income	
Penalty Charge Notices	226,561
Off Street Pay & Display	459,653

Permits	225,354
Bailiffs	26,969
Miscellaneous income	250
Total Income	1,278,969
Net Surplus	496,591

Note: the surplus is derived from car parking charges, not from PCNs; the cost of employing the team of Civil Enforcement Officers is merely off-set by the income from penalty charge notices.

In cases where PCNs remain unpaid beyond the statutory period the Council has a policy of registering the debts at the Traffic Enforcement Centre (TEC) at Northampton County Court; this is the Court which deals with all parking debt in England (outside London). Once a debt is registered the debtor is given a further 21 days to settle the debt before Enforcement Agents (formerly known as bailiffs) are appointed.
