It is good to see that the Local Community has found a way to voice its wishes for the future of Dinnington. For too long the residents have had little or no say in the facilities and environment in which they live. This Neighbourhood Plan will change all of that.

The desire to focus the future on improving Health and Wellbeing will result in a more robust community and bring back some of the local spirit that was lost when the Mine was closed. In particular the regeneration of the Town Centre and the addition of a Leisure Centre/Swimming Facility will add greatly to the community. I fully endorse the plan!!

**Q5. Do you wish to be notified of the Council's decision under Regulation 19 of the Neighbourhood Planning Regulation 2012 whether to accept the Examiners' recommendation? (please tick)** . Yes, please notify me of the Council's decision
