Q1. To which document do your comments relate? Neighbourhood Plan Draft Submission Version

Q3. Please provide your comments below making clear which part of the document you are referring to (specifying relevant paragraphs, tables, figures, boxes or appendices).

I am a Laughton Common resident of some 14 years and have seen a lot of improvements. For this particular consultation I would simply like to request a lot more trees and wild flowers to increase the attractiveness and environmental credentials of the area. And some more local public bins ideally with recycling options.

Q5. Do you wish to be notified of the Council's decision under Regulation 19 of the Neighbourhood Planning Regulation 2012 whether to accept the Examiners' recommendation? (please tick)
