Q1. To which document do your comments relate?	Neighbourhood Plan Draft Submission Version
Q2. Do you wish to?	Support

Q3. Please provide your comments below making clear which part of the document you are referring to (specifying relevant paragraphs, tables, figures, boxes or appendices).

I have examined the document very carefully and wish to make the following comments.

The current situation in Dinnington requires considerable development in the following areas:- Housing-general condition of rented properties

Dinnington High Street (Laughton Road)

Proposed New Build Housing

Lack of police station and resulting lack of visible police

General condition of current population (health, wellbeing, etc)

Lack of current Sports facilities etc

I consider that the Neighbourhood Plan highlights all these problems, PLUS it offers all the options to enable these problems to be solved.

Therefore I fully support the Plan, and that it is the most important planning project required to meet the development of the Dinnington StJohns Area and all its residents.

Q5. Do you wish to be notified of the Council's decision under Regulation 19 of the Neighbourhood Planning Regulation 2012 whether to accept the Examiners' recommendation? (please tick)

Yes, please notify me of the Council's decision
